Due to a dispute between Havering Mayesbrook and the staff at Stubbers over what facilities had been booked, we worked in 3 different areas during the afternoon. Needless to say, things have been difficult and we'd be very surprised if we haven't made some mistakes.

There will also be instances where age groups have not been identified properly
This will be especially true for veterans.

If you don't tell us then we won't know so please e-mail me with a note of any changes. We won't be amending the results on this website, but will try to ensure that information is correct next time
