"I'm Singing in the rain" - & the wind.

Once again we are doing our best, but there is a great deal of work here so please accept our apologies for any mistakes.

**The big problem for us at Hylands Park is that we have no power, fortunately a very nice man from the St John's Ambulance let us use his van which had power and all mod cons. Thank you very much!**

**I finally finished results at 6.45pm at home. There were various problems as usual. Most of my problems this week were caused by team managers not writing down the correct disk numbers given to their athletes. There is one major discrepancy this week. I'm pretty sure that I have all the right disks and scores, but whether I have allocated the correct athlete to each of your disks, I doubt.**

**Alert ! I cannot identify the athlete that finished 24th in the Junior Boys race, can anyone help?**

There will certainly be instances where age groups have not been identified properly, this will be especially true for Veterans. And the inevitable spelling errors where we couldn't read team manager's writing and then (Surely not) there will some typing errors on our part.

Please let me know if any changes are required. Don't be afraid to e-mail me.

If you don't tell us then we won't know so please e-mail me with a note of any alterations.

We won't be amending the results on this website, but will try to ensure that information is correct next time
