Dave Vidler (Basildon AC)

I'm sitting here at Hockley, entirely up to date waiting for the next set of results to come in.

The afternoon is going well. Team managers have been sending in intelligible information and we can read it! (A dry afternoon helps)

We do have some outstanding issues.

U15 Boys - 12th & 25th disks have been handed in without a Results slip, so we don't know who the athletes were. Can anyone help?

10 mins later...

We now have a boy's disk handed out to a Senior woman and two discs not handed out to Senior ment (Missing from spike)!

And where are *****'s womens results?

Once again we are doing our best, but there is a great deal of work here so please accept our apologies for any mistakes.

There will certainly be instances where age groups have not been identified properly, this will be especially true for Veterans.

And the inevitable spelling errors where we couldn't read team manager's writing and then (Surely not) there will some typing errors on our part.

Please let me know if any changes are required. Don't be afraid to e-mail me.

If you don't tell us then we won't know so please e-mail me with a note of any alterations.

We won't be amending the results on this website, but will try to ensure that information is correct next time
