It's always Difficult at Hockley as It takes so much time for results to get to us from the Course - Yes, we are a long way away.
Many thanks to Mike Jeffrey and the young lady who saved the Poor old Chaps legs by helping him bring the Disks and names to us

Once again we are doing our best, but there is a great deal of work here so please accept our apologies for any errors

There will still be instances where age groups have not been identified properly, this will be especially true for Veterans.
And the inevitable spelling errors where we couldn't read team manager's writing and then (Surely not) there will some typing error

League Tables are included this time - together with individual standings after 3 races. (Best 2 from 3)

Please let me know if any changes are required. Don't be afraid to e-mail me.
If you don't tell us then we won't know so please e-mail me with a note of any alterations.
We won't be amending the results on this website, but will try to ensure that information is correct next time
